Dr. MANOJ KUMAR.K.P
Principal,
KMCT Dental College
Manassery, Mulkam

WHEREAS, The Institute of Palliative Medicine, Kozhikode, Kerala- 673 008 which started in 2004. IPM is the pioneer of palliative care movement in South East Asia. As the first World Health Organisation Collaborating Centre for Community Participation in Palliative Care and Long Term Care (WHOCC) in developing countries. IPM is instrumental in developing the "Kerala Model" of palliative care which is popular among the palliative care fraternity worldwide. IPM is the training, research and outreach arm of Pain and Palliative Care Society (PPCS). It is located in the Medical College campus, Kozhikode.

WHEREAS, KMCT Dental College (KMCTDC), a part of KMCT Group of Institutions set up by the Kunhitharuvai Memorial Charitable Trust (KMCT) Manassery, Mukkam Reg no. 252/1999 is situated at Manassey, Mukkam, Kozhikode with 20 bed strength, spread over 50 acre area. Inaugurated in 2006, both the OP and IP departments are functional from 2006

WHEREAS the two Parties, agree to take part in the academic and research collaboration.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both IPM and KMCTDC hereby acknowledge (IPM and KMCTDC hereby agree to the following protocols governing their collaboration in the academic programmes and research and to sign this Memorandum Of Understanding (MoU/)

ARTICLE-I: SCOPE

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following and such similar research areas of mutual interest:

1. Joint Research and Development
2. Jointly Organizing seminars, workshops, conferences and other academic activities
3. Student Internship / observerships
4. Conduct of Community Development Programs
5. Faculty training / fellowship programmes
6. Home care visits

ARTICLE-II: TERMS OF INTERACTIONS

The two parties agree to take part in the joint research initiatives and academic programs as mentioned above in Article I. In the projects identified for collaboration, faculty, students and staff from the two Institutes will collaborate in carrying out the research activity in palliative medicine as proposed in the project proposals approved by the Institutional Ethics Committee of KMCTDC and IPM (to be added as an Annexure-1) after obtaining all

Dr. MANOJ KUMAR K.P.
Principal,
KMCT Dental College
Manassery, Mukkam

Dr. ANWAR HUSSAIN
DIRECTOR
INSTITUTE OF PALLIATIVE MEDICINE
MEDICAL COLLEGE (PO), KOZHIKODE

necessary approvals and permissions subscribing to the guidelines applicable. The research proposals will be developed with the collaborative efforts of KMCTDC and IPM.

IPM will allow student internship/observerships and faculty training and fellowship programs. IPM will collect a nominal fee from students undergoing observership etc as per the policy of the institute however exempting charging of fee from interns under this collaboration.

ARTICLE-III: SHARING OF FACILITIES

A. IPM and KMCTDC shall make provisions to share their respective important R&D facilities in order to carry out research projects.

B. IPM and KMCTDC shall permit sharing facilities to their premises required to carry out research projects, if permissible within the rules governing the two organizations.

C. IPM and KMCTDC shall provide access to the library facilities to personnel of both the organizations involved in the projects as per the applicable rules and norms.

ARTICLE-IV: RESPONSIBILITIES OF EACH PARTY

Responsibilities of KMCTDC

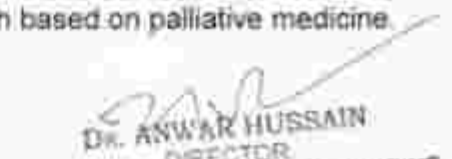

1. KMCTDC will refer patients to IPM for further palliative care, as required for the collaborative projects.
2. KMCTDC will also provide all required support in terms of data and de-identified clinical information which shall come to help in the research projects.
3. KMCTDC will obtain all necessary permissions, approvals and certification, including informed consents and assure strict compliance with all ethical and legal mandates and follow all national and international guidelines including that of Indian Council of Medical Research (ICMR) for collaborative research.
4. The faculty and researchers in KMCTDC related to their research projects will visit IPM to have discussions and periodic monitoring of the progress of the research. The mutual visits will be done with prior discussion and appointments.

Responsibilities of IPM Calicut

1. IPM will allow access to de-identified patient's clinical data for the conduct of research and provide necessary reports for the research purpose following Ethical Committee approval.
2. IPM will also facilitate visits of faculty and students in KMCTDC to IPM for observership and training programmes and research based on palliative medicine.

Dr. MANOJ KURIAR ICP
Principal
KMCTT Medical College
Municipal Museum

Dr. ANWAR HUSSAIN
DIRECTOR
INSTITUTE OF PALLIATIVE MEDICINE
MEDICAL COLLEGE (PO), Kozhikode

3. IPM will also obtain all necessary permissions, approvals and certification, including informed consents and assure strict compliance with all ethical and legal mandates and follow all national and international guidelines including that of Indian Council of Medical Research (ICMR) for collaborative research.

ARTICLE-V: ACADEMIC COLLABORATION

1. All the activities under academic collaboration in this article will be subjected to the appropriate approval from the Director of IPM and competent authorities and official bodies
2. Faculty from KMCTDC will be invited to handle selected topics in the courses of programmes offered by IPM.
3. Faculty from IPM will be invited to handle selected topics in the courses of programmes offered by KMCTDC
4. Joint research and academic guidance in palliative care between KMCTDC and IPM.
5. Joint Internship and training will be provided at KMCTDC and IPM for students from KMCTDC as per need, as per the applicable rules and norms, and with prior permission.

ARTICLE-VI: EFFECTIVE DATE AND DURATION OF MoU

- A. This MoU shall be effective from the date of its approval by competent authorities at both ends.
- B. The duration of the MoU shall be for a period of three years from the effective date.
- C. This MoU may be extended or terminated by a prior notice of not less than three months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under this MoU, and the same shall be subjected to the final decision of the heads of the respective institutions
- D. The progress of the research will be reviewed periodically and necessary measures will be taken to address the challenges and to take it forward.
- E. If any of the partner institution wishes to terminate the MOU at the end of the stipulated period (3 years) it must notify the other institution not less than three months prior to the expiry of the MoU.

ARTICLE-VII: IPR

Rights regarding publications, patents, royalty, etc. under the scope of this MoU shall be equally shared between IPM and KMCTDC, with mutual consent between the two parties.

DR. MANOJ KUMAR J.P.
Principal
KMCT Dental College
Mangalore, Karnataka

DR. ANWAR HUSSAIN
DIRECTOR
INSTITUTE OF PALLIATIVE MEDICINE
IN TICAL COLLEGE (PO), KOZHIKODE

ARTICLE-VIII: CONFIDENTIALITY

During the tenancy of the MoU, both IPM and KMCTDC will maintain strict confidentiality and prevent disclosure of all the confidential information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

'CONFIDENTIAL INFORMATION' shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

Confidentiality of patient related information will be given prime importance as suggested by the Institutional Ethics Committee (IEC) of KMCTDC and IPM. No data related to patients will be used out of the purview of this research and all patient identifiers will be masked.

Both IPM and KMCTDC shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.

Further, both IPM and KMCTDC shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use. This clause shall survive the termination or expiry of this MoU.

ARTICLE- IX: AMENDMENTS

Any Article or clause of the MoU may be modified or amended by mutual agreement of KMCTDC and IPM. Any amendment or modification to this MoU shall be in writing and signed by both the parties hereto and shall only after such execution be deemed to form part of the MoU.

ARTICLE-X: RESOLUTION OF DISPUTES

This agreement shall take effect and be construed in accordance with the Laws of India.

If dispute or difference whatsoever arises between the Parties in relation to or in connection with this MoU, both the parties shall first try to resolve the dispute/difference amicably between themselves failing which the matter shall be resolved through arbitration and the place of arbitration shall be Calicut.

NOW IN THE PREMISES OF MUTUAL PROMISES THE SUFFICIENCY WHEREOF IS HEREBY ADMITTED BY THE PARTIES THIS AGREEMENT WITNESS AS FOLLOWS:-

The parties hereby agree the term of service shall be from 13th November 2021

for a period of 5 years.

And this MOU may be renewed further after mutual discussion between the parties.

1. Relevant departments and areas of co-operation:

The MOU is related to the following areas of Academic and Research Activities.

- a) Students of KMCTDC are permitted field visits to MILMA Milk purification and processing and Water purification plants.
- b) Collaborative research projects will be undertaken with mutual consent between KMCTDC and MILMA.
- c) Webinars and workshops on Milk purification and processing and Water purification will be conducted for Students (UG/PG) and staff of KMCTDC by staff of MILMA.
- d) KMCTDC will conduct two free screening and treatment dental camps per year for Staffs of MILMA.
- e) Any other activity in mutual interest.

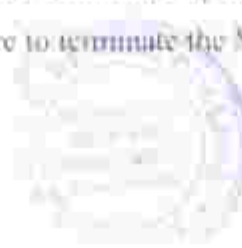

2. Confidentiality:

The parties, KMCTDC and MILMA hereby agree not to disclose or divulge any confidential information which is not generally available to public but received from party to any third person.

3. Amendment and termination of the MOU:

During the period of its validity, the MOU can be amended any time by mutual consent of both the parties. The MOU can also be terminated by mutual consent or by either party giving the other a written notice of its desire to terminate the MOU after one month notice.

MUKKAM SRO VENDOR

കോളേജ്

WHEREAS, KMCT Dental College (KMCTDC), a part of KMCT Group of Institutions set up by the Kunhitharuvai Memorial Charitable Trust (KMCT) Manassery, Mukkam Reg. no. 252/1999 is situated at Manassey, Mukkam, Kozhikode with 20 bed strength, spread over 50 acre area. Inaugurated in 2006, both the OP and IP departments are functional from 2006

WHEREAS the two Parties, agree to take part in the joint research initiative towards the development of efficient diagnostic procedures and design of medical equipments.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both NIT CALICUT and KMCTDC hereby acknowledge, NIT CALICUT and KMCTDC hereby agree to the following protocols governing their collaboration in the research projects and to sign this Memorandum Of Understanding (MoU).

ARTICLE-I: SCOPE

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following and such similar research areas of mutual interest:

1. Developing new dental implant materials and designs
2. Stress testing studies on dental materials
3. Computer aided design of dental prosthesis
4. Imaging in dentistry
5. Developing new dental restorative materials
6. Studies on oral cancer at tissue and molecular level
7. Developing Sensors and instruments
8. Rapid Prototyping in treatment planning and fabrication of patient specific implants in Maxillofacial Surgery
9. Navigation in Maxillofacial Surgery
10. NIT Calicut and KMCTDC can submit collaborative research proposals for funding to different funding agencies with prior approval from the competent authorities
11. NIT Calicut and KMCTDC can conduct joint workshops and training programmes either at NIT Calicut or at KMCTDC.

[Handwritten signature]

[Handwritten signature]

ARTICLE-II: TERMS OF INTERACTIONS

The two parties agree to take part in the joint research initiatives as mentioned above in Article I. In the projects identified for collaboration, faculty, students and staff from the two Institutes will collaborate in carrying out the research activity as proposed in the project proposals approved by the Institutional Ethics Committee of KMCTDC (to be added as an Annexure-I) after obtaining all necessary approvals and permissions subscribing to the guidelines applicable. The research proposals will be developed with the collaborative efforts of KMCTDC and NIT Calicut.

KMCTDC will provide de-identified medical data whenever necessary (viz., MRI, CT and such scan images, dead and live tissue for testing, microscopic images, etc.) after obtaining all necessary approvals and permissions subscribing to the guidelines applicable to NIT Calicut. NIT Calicut will work on the data provided, towards the accomplishment of research objectives, adapting recent technological aids. The materials, softwares (algorithms), medical tools, instrumentation etc developed may be tested on patients at KMCTDC, subject to the approval from internal departments in KMCTDC

ARTICLE-III: SHARING OF FACILITIES

- a) NIT CALICUT and KMCTDC shall make provisions to share their respective important R&D facilities in order to carry out research projects.
- b) NIT CALICUT and KMCTDC shall permit sharing facilities in their premises required to carry out research projects, if permissible within the rules governing the two organizations.
- c) NIT CALICUT and KMCTDC shall provide access to the library facilities to personnel of both the organizations involved in the projects as per the applicable rules and norms.

ob/uhg

- d) For the use of laboratory resources and equipments at NIT CALICUT, an appropriate fee as fixed by NIT CALICUT from time to time will be applicable under consultancy mode.

ARTICLE-IV: RESPONSIBILITIES OF EACH PARTY

Responsibilities of KMCTDC

1. KMCTDC will provide de-identified data of patients to researchers in NIT Calicut, as required for the collaborative projects.
2. KMCTDC will also provide all required support in terms of data and de-identified clinical information which shall come to help in the projects.
3. The products developed and the results of the project works shall be tested and checked by professionals at KMCTDC.
4. KMCTDC will obtain all necessary permissions, approvals and certification, including informed consents and assure strict compliance with all ethical and legal mandates and follow all national and international guidelines including that of Indian Council of Medical Research (ICMR)
5. KMCTDC will also facilitate visits of researchers in NIT Calicut to its campus, without affecting the patient services.
6. The faculty and researchers in KMCTDC related to the research projects will visit NIT Calicut campus to have discussions and periodic monitoring of the progress of the research. The mutual visits will be done with prior discussion and appointments.

Responsibilities of NIT Calicut

1. NIT Calicut will develop software algorithms, medical equipments based on the resources provided by KMCTDC.
2. The software engineering process will be planned by NIT Calicut researchers in an agile development manner. Multiple iterations of design and development will be done before the delivery of final product.

3. NIT Calicut will also facilitate visits of researchers in KMCTDC to its campus for interactions to facilitate the research.
4. The faculty and students in NIT Calicut related to research projects will visit KMCTDC campus to have discussions and periodic monitoring of the progress of the research. The mutual visits will be done with prior discussion and appointments.
5. Proper documentation and long term technical support for 2 years after the completion of projects and final release in the case of products will be provided by NIT Calicut.

ARTICLE-V: ACADEMIC COLLABORATION

1. All the activities under academic collaboration in this article will be subjected to the appropriate approval from the Senate of NIT Calicut and competent authorities and official bodies
2. Faculty from KMCTDC will be invited to handle selected topics in the courses of programmes offered by NIT Calicut
3. Joint research guidance between KMCTDC and NIT Calicut
4. Joint Internship and training will be provided at KMCTDC and NIT Calicut for students from both institutes as per need, as per the applicable rules and norms, and with prior permission

ARTICLE-VI: EFFECTIVE DATE AND DURATION OF MoU

- a) This MoU shall be effective from the date of its approval by competent authorities at both ends.
- b) The duration of the MoU shall be for a period of 3 years from the effective date.
- c) This MoU may be extended or terminated by a prior notice of not less than three

H. J. S. S. S.
02/11/2022

months by either party. However, termination of the MoU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under this MoU, and the same shall be subjected to the final decision of the heads of the respective institutions.

- d) The progress of the research will be reviewed periodically and necessary measures will be taken to address the challenges and to take it forward.
- e) If any of the partner institution wishes to terminate the MOU at the end of the stipulated period (3 years) it must notify the other institution not less than three months prior to the expiry of the MoU.

ARTICLE-VII: IPR

Rights regarding publications, patents, royalty, ownership of software/design/product jointly developed etc. under the scope of this MoU shall be equally shared between NIT Calicut and KMCTDC, with mutual consent between the two parties.

ARTICLE-VIII: CONFIDENTIALITY

During the tenancy of the MoU, both NIT CALICUT and KMCTDC will maintain strict confidentiality and prevent disclosure of all the confidential information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.

'CONFIDENTIAL INFORMATION' shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

Confidentiality of **patient related information** will be given prime importance as suggested by the Institutional Ethics Committee (IEC) of KMCTDC. No data related to patients will be used out of the purview of this research and all patient identifiers will be masked.

K. J. Achary

Both NIT CALICUT and KMCTDC shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or projects.

Further, both NIT CALICUT and KMCTDC shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use. This clause shall survive the termination or expiry of this MoU.

ARTICLE-IX: INDEMNITY

KMCTDC shall always ensure that the universally accepted standard precautions and protocols are strictly followed and adhered while implementing the project and the practical application shall be done solely at their risk and responsibility. KMCTDC hereby agrees to indemnify and hold NITC indemnified against all proceedings, claims, liabilities, loss and damage whatsoever that may arise including those on account of any delay, default, breach or failure on their part.

ARTICLE- X: AMENDMENTS

Any Article or clause of the MoU may be modified or amended by mutual agreement of KMCTDC and NIT CALICUT. Any amendment or modification to this MoU shall be in writing and signed by both the parties hereto and shall only after such execution be deemed to form part of the MoU.

ARTICLE-XI: RESOLUTION OF DISPUTES

This agreement shall take effect and be construed in accordance with the Laws of India.

If dispute or difference whatsoever arises between the Parties in relation to or in connection with this MoU, both the parties shall first try to resolve the dispute/difference amicably between themselves failing which the matter shall be resolved through arbitration and the place of arbitration shall be Calicut.

Handwritten signature in blue ink, possibly reading "06/11/19".

Handwritten signature in blue ink.

ARTICLE-XII: MISCELLANEOUS

The headings and sub-headings are inserted for convenience only and shall not affect the construction of this MoU.

- a) No failure to exercise and no delay in exercising, on the part of a Party, and right, remedy, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, power and privileges herein provided are cumulative and not exclusive of any right, remedies, powers and privileges provided by law.
- b) After this MoU has been signed, all the preceding understandings/negotiations and the correspondence pertaining to it shall become null and void.

IN WITNESS WHEREOF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THIS DATE, 6th NOVEMBER, 2019.

MEMORANDUM OF UNDERSTANDING

DG 042506

This memorandum of understanding for research collaboration is made on the 06th day of October 2020-21 at MVR Cancer Centre and Research Institute of Kozhikode.

Between

KMCT Dental College, Kozhikode, Kerala (Hereinafter referred to as "KMCT") of the First Part represented by the Principal, KMCT Dental College, Kozhikode, Kerala, 673602

And

MVR Cancer Centre and Research Institute, an initiative of Cancer and Allied Ailments Research (CARE) Foundation, a non-profitable charity organization initiated by the Calicut City Service Co-operative Bank in 2011 and registered under the Kerala Societies Registration Act of 1860, having its head office at Poolacode, Kozhikode (Hereinafter referred to as the "MVRCCRI") of the Other Part represented by the Medical Director, MVR Cancer Centre and Research Institute, Kozhikode, Kerala, India

I. INTRODUCTION

WHEREAS, "KMCT" is a private dental college in Kozhikode is interested in developing collaboration with "MVRCCRI" for the purpose of research for Cancer Research programme.

WHEREAS, "MVRCCRI", is a Tertiary Cancer hospital and Research Centre interested in collaborating with KMCT in Cancer research.

To...
Name...
Date...

CHATHA BANGALAM
S S V VENDER
V. PUSHPANGATHAN

5-10-2021

DR. MANJUL KUMAR I.K.P

WHEREAS, "KMCT" and "MVRCCRI" recognize that research collaboration would be of mutual benefit and would help in strengthening research in one another's research areas.

WHEREAS, this Memorandum of Understanding ("MOU") will establish a mechanism for the "KMCT" and "MVRCCRI", here after collectively referred as "Institutions" to plan collaborative research activities; and

WHEREAS, each Party to this MOU recognizes the unique expertise of the other; and

NOW THEREFORE, the Institutions agree as follows:

II. AUTHORITIES

"KMCT" and "MVRCCRI" represent that they are each authorized under the laws of the constitution of India to enter into an MOU where such MOU promotes their objectives and mission.

III. OBJECTIVES

The objectives of this MOU are:

1. To allow the "Institutions" to plan collaborative research and training activities in the area of Cancer research.
2. To undertake clinical research under the scheme of Department of Science & technology, Government of India.

IV. ACTIVITIES

In furtherance of the above objectives, the "Institutions" agree that each will do the following:

1. The Principal "KMCT" will serve as a project coordinator to assist in developing and planning collaborative research projects.
2. The "Institutions" will carry out research activities, as per this Memorandum of Understanding. The activities must be carried out in accordance with appropriate laws and regulations existing in the country and in the institutions.
3. This MOU is specifically for KMCT Dental College, Kozhikode, whereas the parent institute will be KMCT and the required budget for academic activities such as student observerships/internships etc at "MVRCCRI" will be disbursed by students of KMCT Dental College.

DR. MANOJ KUMAR KP
Principal
KMCT Dental College

4. Also the required budget for research activities done at "MVRCCRI" will be borne by Principal investigator (Faculty/Post Graduate/Under Graduate) from KMCT Dental College with due financial consideration given to faculty and UG students by "MVRCCRI".
5. The research agreement arising from this MOU will include, provisions setting forth the approved budget, a description of the scope of work to be performed, providing appropriate training for research fellows/investigators.
6. This MOU is specifically for the collaborative research activities of Cancer Research and does not claim any collaboration with other research areas of KMCT Dental College, Calicut
7. This MoU also includes mutual clinical case referrals between the two institutes for further advanced management of cancer patients as well as referral for provision of dental treatments for these patients.

IV. I Role of KMCT

1. Delivering the clinical services for the patients referred from MVRCCRI.
2. Conducting the collaborative research in various fields of Oral oncology.
3. To be responsible for all kinds of academic activities (PhD research, MDS and BDS thesis) carried out by the students from KMCT Dental college
4. Ensuring the co-authorship of coinvestigators of MVRCCRI in the publications of the collaborative academic/ research projects.
5. Guidance in proposal development and data collection of the research projects from "MVRCCRI" including the Institute Ethics Committee review and approvals as well as ensuring the payment associated with same for research work done at KMCT Dental College.
6. Provision of dental treatment for staff of MVRCCRI at KMCTDC with due consideration of 20% discount for staff of MVRCCRI.

DR. MANOJ KUMAR, K.P.
Principal
KMCT Dental College
Kannur, Kerala

IV. II Role of MVRCCRI

1. Guide the entire academic and research proposals from KMCT Dental college to do the Research committee approvals (both institute Review board and Institute Ethics committee)
2. Guidance in proposal development and data collection of academic projects.
3. Ensure the payments associated with project approval (Institute Ethics Committee fees and academic fee) and project implementation.
4. Management and treatment of cancer for patients referred from KMCTDC as well as appropriate referrals to KMCTDC for subsequent dental treatments.

V. CONFIDENTIAL INFORMATION

Confidential information means all oral, written, graphic or physical information, formula, research data, know-how and trade secrets. All such confidential information will be the exclusive property of respective Institutions. Both the Institutions agree that, they will not use such confidential information for any other purpose without the prior written consent of the other party.

VI. NONDISCRIMINATION IN EMPLOYMENT

In connection with the performance of work under this MOU, the "Institutions" agree not to discriminate against any employee, student, or applicant for employment because of sex, race, religion, color or handicap.

VII. AMENDMENTS AND REVIEW

The terms of this MOU may be amended only by written mutual agreement and the amendment will be effective when signed by the "Institutions".

VIII. TERM AND TERMINATION

This MOU shall be in effect from the date of signature and will be valid up to five years or till the end of project whichever is earlier and can be renewed further upon mutual approval by executing a fresh agreement.

Both parties can terminate the agreement after mutual discussion by serving two months prior notice.

DR. BINOD KUMAR, K.P.
Principal
KMCT Dental College
Mangalore, Malabar

IX. DISPUTE REDRESSAL

MVRCCRI will not be made responsible fully or in partial to any financial compensation or damages that may arise out of this association.

Any dispute or differences or claims arising out of this agreement shall be settled between the Institutions through mutual discussion and in the absence of an amicable settlement will be referred to mutually agreed arbitrator appointed by the Institutions jointly. The venue of arbitration will be Kozhikode, Kerala.

IN WITNESS WHEREOF, the Institutions have executed this Memorandum of Understanding as of the day and year of the last signature indicated below.

- i. By: The Principal, KMCT Dental College, Kozhikode, Kerala.

Date: 
Witness: 

- ii. By: Medical Director, MVR Cancer Centre and Research Institute, Kozhikode

Sir,

Sub: Permission for one day academic visit to Koolimad Water Authority Plant-reg

One of the essential components of public health care is provision of safe drinking water and sanitation. Knowledge of the process of purification of water is the primary step in the prevention of water borne diseases. The Dental Council of India's academic curriculum for the Final Year Part 1 & 3rd Year undergraduate dental students (81 Nos.) requires them to be made aware of water born diseases and process of water purification. In order to direct the focus of undergraduate students on environmental health, kindly permit them to visit Koolimad Water Authority Plant either on 3rd or 6th June 2016.

Thanking you,

Sir,

SUB: Request for permission to postpone visit to Koolimad water purification plant from 12/06/17 to 16/06/17 - reg.

With reference to your letter No: 03/106/2016, our final year part I undergraduate BDS students (47) numbers were given permission to visit Koolimad water purification plant on 12/06/17 and we had paid the visiting charge for the same. Due to certain unavoidable circumstances relating to their academic submission to Kerala University of Health Sciences, we were unable to conduct the visit for the students on 12/06/17, hence we request you to kindly give us permission to visit Koolimad water purification plant on 16/06/17 and to consider our entrance fee payment done for 12/06/17 for the visit on 16/06/17.

I am attaching the copies of the permission letter and the payment receipt done for the same. Kindly help us in this regard.
